Our Art Club, founded in Nineteen sixty-one is a source of pride to its members. We believe it is the oldest continuous art club in the state of Oklahoma. The club has active members ranging from beginners to experienced artists and teachers.

Club members do the artwork displayed in the gallery and most are for sale.

Classes taught in various media are available in the gallery.

We also sponsor workshops and demonstrations that are open to the public throughout the year.

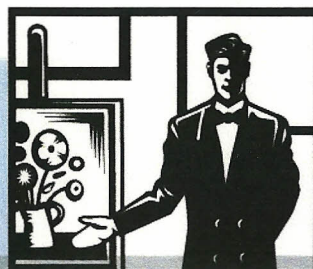

Our annual art show averages over 300 individual works of art. The show is open to the public to enter artwork or just visit. Awards and prizes are distributed in categories covering still life, portraits, wildlife and more.
